

ECR Community Shrink & OSA Group Sell More, Waste Less – June 7th 2018 Sub Team Meeting – Minutes

Hosted by KLU Logistics, Hamburg, Germany

Anti-trust caution: ECR Community will not enter into any discussion, activity or conduct that may infringe, on its part or on the part of its members and participants, any applicable competition laws. By way of example, members and participants shall not discuss, communicate or exchange any commercially sensitive information, including non-public information relating to prices, marketing and advertisement strategy, costs and revenues, trading terms and conditions and conditions with third parties, including purchasing strategy, terms of supply, trade programmes or distribution strategy. This applies not only to discussion in formal meetings but also to informal discussions before, during or after meetings.

Minutes:

Objectives of meeting:

- To agree new research projects on expiry date discounting and deep dive collaboration maturity model
- To continue positive momentum of the group and establish a collaboration platform for collaboration on food waste in the supply chain.

Next Steps:

All presentations to be posted to the website.

Expiry Date Discounting Research:

- Retailers / Manufacturers to contact Nevin and Rob to agree data sharing.
- Group to consider benchmark study to understand current status across Europe: Colin to write brief

Expiry Date carriers

- Group to consider value of a model that can simulate the impact of expiry date visibility. Colin to write brief.

Collaboration

- Current online assessment too complex, Group to simplify: Colin to take first step, to be finalised before next meeting.
- Deep dive collaboration project: Retailers and Manufacturers to contact academics and participate.

Next Meeting:

October 24th - Lisbon
